

Pagos relacionados con invitaciones a eventos

La empresa revela las transferencias de valor en esta categoría de acuerdo con la opción 2 de Medicines for Europe para los requisitos de transparencia de Europa:

El importe total del apoyo proporcionado a los profesionales de la salud por conferencia o reunión individual de la siguiente manera:

* **Patrocinio** para asistir a un congreso organizado por terceros (según el apartado 4.4.)::

nombre del congreso;

importe total gastado para el congreso y número de profesionales de la salud con asistencia financiera para asistir.

* **Visitas al sitio** (según la sección 4.5.): monto total gastado, incluyendo el número de profesionales de la salud con asistencia financiera para asistir.

* **Reunión organizada por la empresa:** importes totales, incluyendo el número de profesionales de la salud con asistencia financiera para asistir

Para las categorías de valores relacionados HCPs, se han revelado valores agregados en los que no se pudo obtener el consentimiento de un número múltiple de HCP or value categories related to HCPs, aggregate values have been disclosed where the consent of a multiple number of HCP could not be obtained.
